WORKERS COMPENSATION COVERAGE

By Deborah Swingley, Montana Council on Developmental Disabilities

February 25, 2008

Congratulations! All Advisors hired by the People First Chapters statewide are covered by Workers Compensation coverage. This means if an Advisor should happen to be injured performing their job duties for the Chapter, they are covered by insurance.

The Montana Council on Developmental Disabilities is pleased to have arranged this coverage. Having the correct coverage lets everyone breathe a collective sigh of relief, people have coverage and no one is exposed to great liability.

Should you have any questions regarding the Workers Compensation coverage please don't hesitate to contact MCDD offices at 1/866-443-4332.

.....

We'd like to hear from YOU, the People First members statewide about topics you'd like to have covered in future Information Memos or if you'd like to write an Information Memo to share with the other Chapters. Please either call or email Council offices with your topic suggestions for Information Memos.
